

Hughes Hall MCR Committee Roles

1x President

The President has three duties: ensuring the committee are doing their job; serving as the voice of the students to the college; and occasionally representing the college to the university and alumni. The role is ultimately too broad for simple synopsis, but if you have the enthusiasm and ideas to help ensure Hughes continues to develop in a way that is beneficial to students, then this role is for you. It is a job that requires commitment and the occasional challenge, but is ultimately immensely gratifying and an honor to carry out.

1x Secretary

The Secretary is a multifaceted and integral role within the committee.

The central three duties are communicating, ranging from the MCR mailing list to the Hughesletter to social media, attending College Council (highest decision making body with student representation) twice a term to help advocate on behalf of Hughes students along with the President, providing notice of committee meetings and taking minutes. If you have a desire to both advocate on behalf of the student body and determine how the committee communicates with them, then please apply. Organisation is key.

1x Infrastructure Officer
