

Sign up NOW for the 2014 CUSU SHADOWING SCHEME

Every year, CUSU brings over 300 state-educated year 12s from schools and families with little experience of higher education to Cambridge for three days. They stay at one of the colleges and shadow a current undergraduate to lectures, supervisions and social events put on by societies. The whole trip is paid for by CUSU, the Colleges and the University, and really helps to break down students' preconceptions of higher education and Cambridge.

We're now recruiting volunteers for the 2014 Scheme - if you'd like to get involved in the UK's biggest student-led Access initiative, sign up using the URL or QR code below!
