

This Week in Hughes

Dear Hughesians,

It gives me great pleasure to be back with the first newsletter of Easter Term - rebranded, restructured and re-formatted. The new "at-a-glance" structure should make it easier for everyone to keep track of what goes on in College. Praise, criticism or general comments are encouraged.

Best of luck with your upcoming exams, assignments or dissertations!

So, here's what's going on in Hughes this week.
