for Equalities Officer!

A bit about me...

- I'm a 2nd year on the Graduate Course in Medicine (CGCM)
- Korean-born German, with Korean and Belgian parents (yes, it's confusing I know...)
- Multicultural background having lived in Korea, Singapore and Germany before coming to the UK
- Attended international schools, which has given me a strong appreciation for different cultural viewpoints

Relevant Experience

I have consistently been an active member of the community, whether that is organising and leading various events or representing students' views. For example:

- **Jesus College International & Racial Equalities Officer** (2014)
- **Student Academic Representative at UCL** (2015-16)
- **CGCM Society Social & Welfare Officer** (2017-18)
- **Hughes Hall Pink Week co-Representative** (2018) – we raised over £350!
- **Cambridge Neurological Society Vice-President** (2017-18) & **co-chair of National Annual Neurological Symposium**
- **Academic advisor for Pro-bono work in improving BAME support in applying to Oxbridge**

My Ideas for this Role

- **Lead a sub-committee to have more formalised, MCR-supported events** throughout the year raising **awareness** and **celebrating different cultural events** (e.g. Diwali, Chinese New Year, Black History Month)
- **Liase with our welfare officers to:**
 - **Ensure** people from different backgrounds (including BAME, people with families, people with disabilities) have **an established support pathway** in college
 - **Establish** a welfare & equalities **forum/feedback platform for people to anonymously raise concerns** about **welfare & equalities-related issues** in college
 - **Be a point of contact to raise any relevant issues/concerns/ideas** to college
- **Termly international/themed potlucks!**
- **Work with other college MCRs** to have more **collaborative events** e.g. international formal swaps, which were very popular when I was on the JCR at Jesus.
- I am **very open to suggestions** and look forward to (potentially) working with you all! 😊
