

HUGHES HALL
UNIVERSITY OF CAMBRIDGE

VASILIS FOR GREEN AND ETHICS

Hello!

My name is Vasilis, a 1st year MPhil student and soon to be PhD student in Hughes.

I'd like to apply for Green and Ethical Affairs Officer as I am very sure I have the passion and willingness needed to help our college change towards a greener and more environmental friendly operating way.

If elected I would like the college and students to:

- Improve recycling options in accommodation and motivate them to use more recycling.*
- Bring clothes recycling option to the college, in cooperation with charity shops for the environment.*
- Bring recycling bins in communal areas*
- Bring both vegan and vegetarian options daily in dining hall.*
- Advertise climate change talks and events happening in the university and organising some of them in Hughes Hall.*
- Screening of thrilling documentaries that will encourage you all to save the planet*
- Make a vegetable garden in Hughes.*
