

Daniel Antón García

Hughes Hall MCR Elections 2018 • MCR President

About me

- Chemistry PhD student
- Current MCR Infrastructure Officer
- Technology Officer May Ball Committee
- Deputy Bar Manager

Nominated by:
Mr. Maxim Kuvshinov

Seconded by:
Ms. Yuri Im

What did I do in the MCR?

- Ensured availability of communal spaces in college for student use throughout the year.
- Worked with MCR and college administration to increase BOP capacity from 120 to 137, and then further to 177.
- Working with MCR, bar staff and college administration to write a proposal for the refurbishment of the bar, Pfeiffer room and Combination room – to be completed this summer!
- Helped organise different social events throughout the year (Freshers' week, BOPs, Karaoke nights, etc.)

What am I going to do?

- Ensure the refurbishment of the social spaces goes ahead as planned (including a new integrated light and sound system for the bar!)
- Ensure college development plans and policies focus on the students' needs by listening to student feedback and negotiating with college.
- Help foster relationships with other mature/postgraduate colleges by holding combined social events.
- Improve communication between the MCR committee and the college and students.
- Formation of new MCR subcommittees to allow one-year students to get involved in things they are passionate about.

Why me?

- As MCR and May Ball committee member I already have experience working with college.
- Experience in coordinating teams of people (UK Solar Fuels Network Coordinator & Social Team Reisner Lab).
