

Vote Hattie for MCR Secretary!

I've got the skills for the job...

1. Communication - Having spent six years working to convince people to donate to charity means that I am a **pretty darn good communicator** and I will make sure your Hughesletter is regular, interesting and informative
2. Organised - Having led student societies and worked on last year's May Ball I am **organised and know how to get things done** on a committee!
3. Approachable - I am **always happy to talk** over a cup of tea (or a G&T...) about any issues or thoughts you would like raised with the college

As Secretary I will work to promote....

1. **Community** - Hughes is a community for us all so I will work with the Welfare and Access Officers to create information for;
 - **Overseas students** on accessing NHS services and other aspects of settling in to life in the UK
 - **Students with partners and families** on how they to can be more involved in college life and what other groups, activities and services they can find in Cambridge - so they feel at home too
2. **Transparency** - I will strongly advocate on your behalf at College Council to ensure;
 - Better information about how your KFC is spent and **clearer, consistent pricing on food in hall**
 - **Better consultation with and communication to students** about important changes to college policies such as the change in summer accommodation policy earlier this year
3. **Accountability** - I will **make sure MCR budgets and policies are more easily available** and that MCR meeting motions and decisions are shared with all students so that you will be better informed about what the committee and College is doing on your behalf

...for a more open and accountable MCR!
