

Andrea Di Antonio for Welfare Officer

About Me

I am a 2nd year PhD student in the Chemistry Department. The Hughes Hall community is important to me. I have been your Welfare Officer for the past year. I would like your support to continue my work so that everyone can enjoy their college experience.

Experience

As Welfare Officer my job is to support you during your time here in Hughes Hall. I have worked on:

- *Welcoming new students to the community;*
- *Providing induction talks at the beginning of the academic year;*
- *Being available for student needs on short notice;*
- *Organising pizza nights and tea and cakes to improve social bond;*
- *Ensuring regular and new stash.*

Vision

Continuing to improve welfare in Hughes is fundamental. For that, I commit myself to:

- *Adopting Peer2Peer programme for welfare accessibility;*
- *Raising awareness about support and welfare initiatives for students inside and outside the college (i.e. CUSU and GU);*
- *Preserving established welfare events such as tea and cakes and organising new ones.*
