

VOTE FOR ONI!

(aka Aniruddha Kulkarni)

Position:
Green Officer

How most of you know me:
Guy behind the bar playing sick tunes.

Me surrounded by greenery

What I plan to do if elected?

- 1) Organise reusable Hughes Hall coffee mugs reducing the use of disposable plastic.
- 2) Work with the college bar to minimize/completely stop the use of plastic cups and straws.
- 3) Work with the waste management company to run a full audit on the amount and type of waste we generate as a community and work towards reducing it.
- 4) Study the costs associated with changing college light fittings to improve energy efficiency and implement if feasible.

Scientists have recently set the doomsday clock to 2 minutes before midnight. To save our planet we must act NOW. To remind you of what we are trying to save, here is a picture.
