

Anna Koelle

For Academic Affairs Officer

About me

I am a first year BA student in Economics from Duesseldorf, Germany and one of the Hughes Hall coxes this year.

Before starting with university I did an apprenticeship at Deutsche Bank. During that time I organized some social days as well as assisting the HR team on the introduction day for the new apprentices.

Therefore I know that organizing such events is a lot of work, but first and foremost it is a great opportunity to bring a group of interesting, intelligent and enthusiastic people together. Especially, we at Hughes are such great and diverse group of people with unique potential and a great appreciation for speaker events.

Therefore I would be thrilled to be your Academic Affairs Officer in order to get the opportunity to organize such amazing events for you.

My goals

As your Academic Affairs Officer I would be responsible for organizing such academic events as well as keeping track of the academic and learning resources` needs. Hence I would like to

1. Organize events, similar to last year`s “women in science” as well as some social science ones, e.g. with regard to foreign policy.
2. Encourage Hughes students to present their research.
3. Continue with successful events, e.g. the “Hughes Hall Life Sciences Research Symposium”.
4. Work closely with the Hughes Library in order to improve learning resources.

Unfortunately I cannot be at Hughes on Sunday but if you have any further questions please contact me: amk98@cam.ac.uk.
