

Paulina Librizzi for Social Secretary

Nominated By Emma Louise Silvester
Seconded By Nikhil Dutt Sundaraj

Why I'm Running

Hi everyone, my name is Paulina Librizzi and I am a 2nd year Materials Science PhD. Planning social events and parties sparks joy in my life. Decorating for said social events and parties sparks even more joy! I like the details and organization of the initial planning stages, and the feeling of accomplishment that occurs when the setup is finished. It makes me so happy to see people enjoy themselves during the event, and I am always happy to make sure as many things as possible are clean and clear at the end of the event (because the cleaners have enough work)! I am comfortable working in a team and in a group to make sure these events SMASH! I hope to meticulously plan a wonderful year of socials, bops, bar nights, swaps, and fun!

My Goals

- Expand the subcommittee so that we have at least one event on every other week
- Increase the number of formal and/or bar swaps done per year
- Increase the social media presence of Hughes Hall Ents
