Membership of the punt club will last for the period of time for which the member is affiliated to Hughes Hall as a student, a fellow, or through direct employment, unless it is terminated. Subject to availability, the membership includes access to a self-hire punt, a 4-person canoe, or a 1- or 2-person kayak at Scudamore’s Mill Lane Station as advertised on the MCR website.

To join the Hughes Hall College Punt Club, you must agree to the following terms and conditions:

1. The punt may only be booked out by members of the Hughes Hall College Punt Club.
2. Each punt may be booked out once per day by one Punt Club member for as long as the whole day. The total number of punts available through the Hughes Hall College Punt Club may vary depending on the number of Punt Club members per academic year.
3. The punt can be hired towards Grantchester or the college backs.
4. A valid credit card will be required as a deposit.
5. The member who booked out the punt must remain with it at all times and is responsible for the passengers of the punt and the punt itself.
6. The member who booked out the punt should make sure that they redeem their request on the day under normal circumstances. They must make sure that they check in at the punt station when they redeem their booking request. Failure to do so might cause the booking to be shown as ‘missed’ on the system, and might potentially lead to the termination of their membership (see 7.).
7. Anyone who fails to cancel their booking by getting in touch with the Admiral prior to the date of punting or supply a reasonable explanation of missing a booking, shall receive penalty against their membership: a warning email will be sent to the member at the first occurrence, their membership will be suspended until the end of the next calendar month at the second occurrence, and their membership will be terminated at the third occurrence.
8. The punt must have no more than six passengers, including the punter, at any time.
9. The punt can be hired out from 9 am and must be returned by 9 pm or the day’s closing time (if earlier than 9 pm). The responsible Punt Club member will be charged for any hire outside these hours at standard rates.
10. Users of the punt are to remove all rubbish from the area and deposit it in the nearby bins.
11. The punt must only be used for private and personal purposes.
12. The punt pass is also valid for a 4-person canoe or a 1- or 2-person kayak towards Grantchester. The same terms and conditions apply (except 3. and 6.).
13. The Admiral reserves the right to cancel individual bookings if an inappropriate number of advance bookings has been made by one person. One Punt Club member may only book out one of the punts available for a particular day and make two bookings for a calendar month at maximum. Requests for an exemption to this rule may be made to the Admiral and will be reviewed on a case-by-case basis.
15. The terms and conditions are subject to change without prior notice. Hughes Hall College Punt Club members are responsible for familiarising themselves with the latest version of our Punt Club terms and conditions before hiring a craft at Scudamore’s.

16. Anyone found to be misusing their Punt Club membership will lead to the termination of their membership, and in serious cases the Admiral/college will take disciplinary action.
