## *Minerva Festival 2022*

We are fundraising for young people leaving care to complete hands-on paid work experience with Cambridgeshire County Council.

Young people leaving care normally face a difficult transition into adulthood. They often must overcome several hurdles when they leave care.

The support given to so many young people in Cambridge from guardians when moving away from home - being dropped off at university, getting help buying homeware, and going home for a weekend or Christmas - is not available to these young people.

Please support this scholarship by purchasing merchandise from the following link: <https://www.redbirdsupplyuk.com/cuspe>

100% of the proceeds will go towards the CUSPE Scholarship and will directly impact the life of a young person leaving care.

If you have any questions or would like to make a separate donation, please contact Ernestine at [vicepresident@cuspe.org](mailto:vicepresident@cuspe.org).
